FOR IMMEDIATE RELEASE

PROJECT MANAGEMENT SEMINAR OFFERED AT USD

A two-day seminar, "Tools and Techniques for Effective Project Management," will be held at the University of San Diego on July 23 and 24, from 9:00 a.m. to 4:30 p.m. For details call 293-4585.

Attendance is limited and will be accepted on a first come basis. A fee of \$195 dollars includes registration, all meeting materials and luncheon both days. Discounts are available for organizations sending 3 persons or more.

"Tools and Techniques for Effective Project Management," is designed for project engineers, project or program managers, and managers of research and development to upgrade their knowledge of project management.

Leading the seminar is Dr. Herbert F. Spirer, Professor of Industrial Administration at the University of Connecticut. Author of a home study course and several books on the topic of engineering management, Dr. Spirer is a program management and/or operations research consultant. He has served as Manager of the Electronic Development Group of General Time Corp., as Section Manager for American Machine and Foundry, as Development Engineer for G.E., and as Research Engineer for Sun Oil Corp.

The seminar is co-sponsored by USD's School of Business Administration and Office of Continuing Education.
